

## King's Academy Request for Financial Assistance

- The Tree of Life delights in helping families who want to give their children an outstanding Christian education in a safe and supportive environment but who lack the financial resources. It is funded completely through the generosity of donors.
- Financial aid is based upon a family's ability to pay and is dependent upon the availability of funds. Applications are considered in the order they are received.
- Applications must be complete for consideration and must include the following:
  - o A completed copy of their 2022 Income Tax Return
  - Two current payroll check stubs from employed parents financially responsible for the child(ren).
- All sources of family income must be included.
- Any change in monthly family income during the year must be reported to the Head of School.
- The submission of false information will jeopardize financial assistance.
- Failure to meet all payment requirements when they are due will result in loss of financial assistance. If there are extenuating circumstances preventing timely payment, the parent(s) must contact the business office before the monthly tuition deadline.
- Unacceptable behavior or a failure of a student to maintain a "C" average may result in loss of financial assistance.
- Tree of Life families are expected to support King's Academy activities and fundraisers to the best of their ability.
- You will be notified by the Head of School of the Tree of Life Committee's decision regarding your application.
- Families approved for tuition assistance must sign an agreement acknowledging the amount and specifying the conditions of payment.
